"But if in your thought you must measure time into seasons, let each season encircle all other seasons.

And let today embrace the past with remembrance and the future with longing."

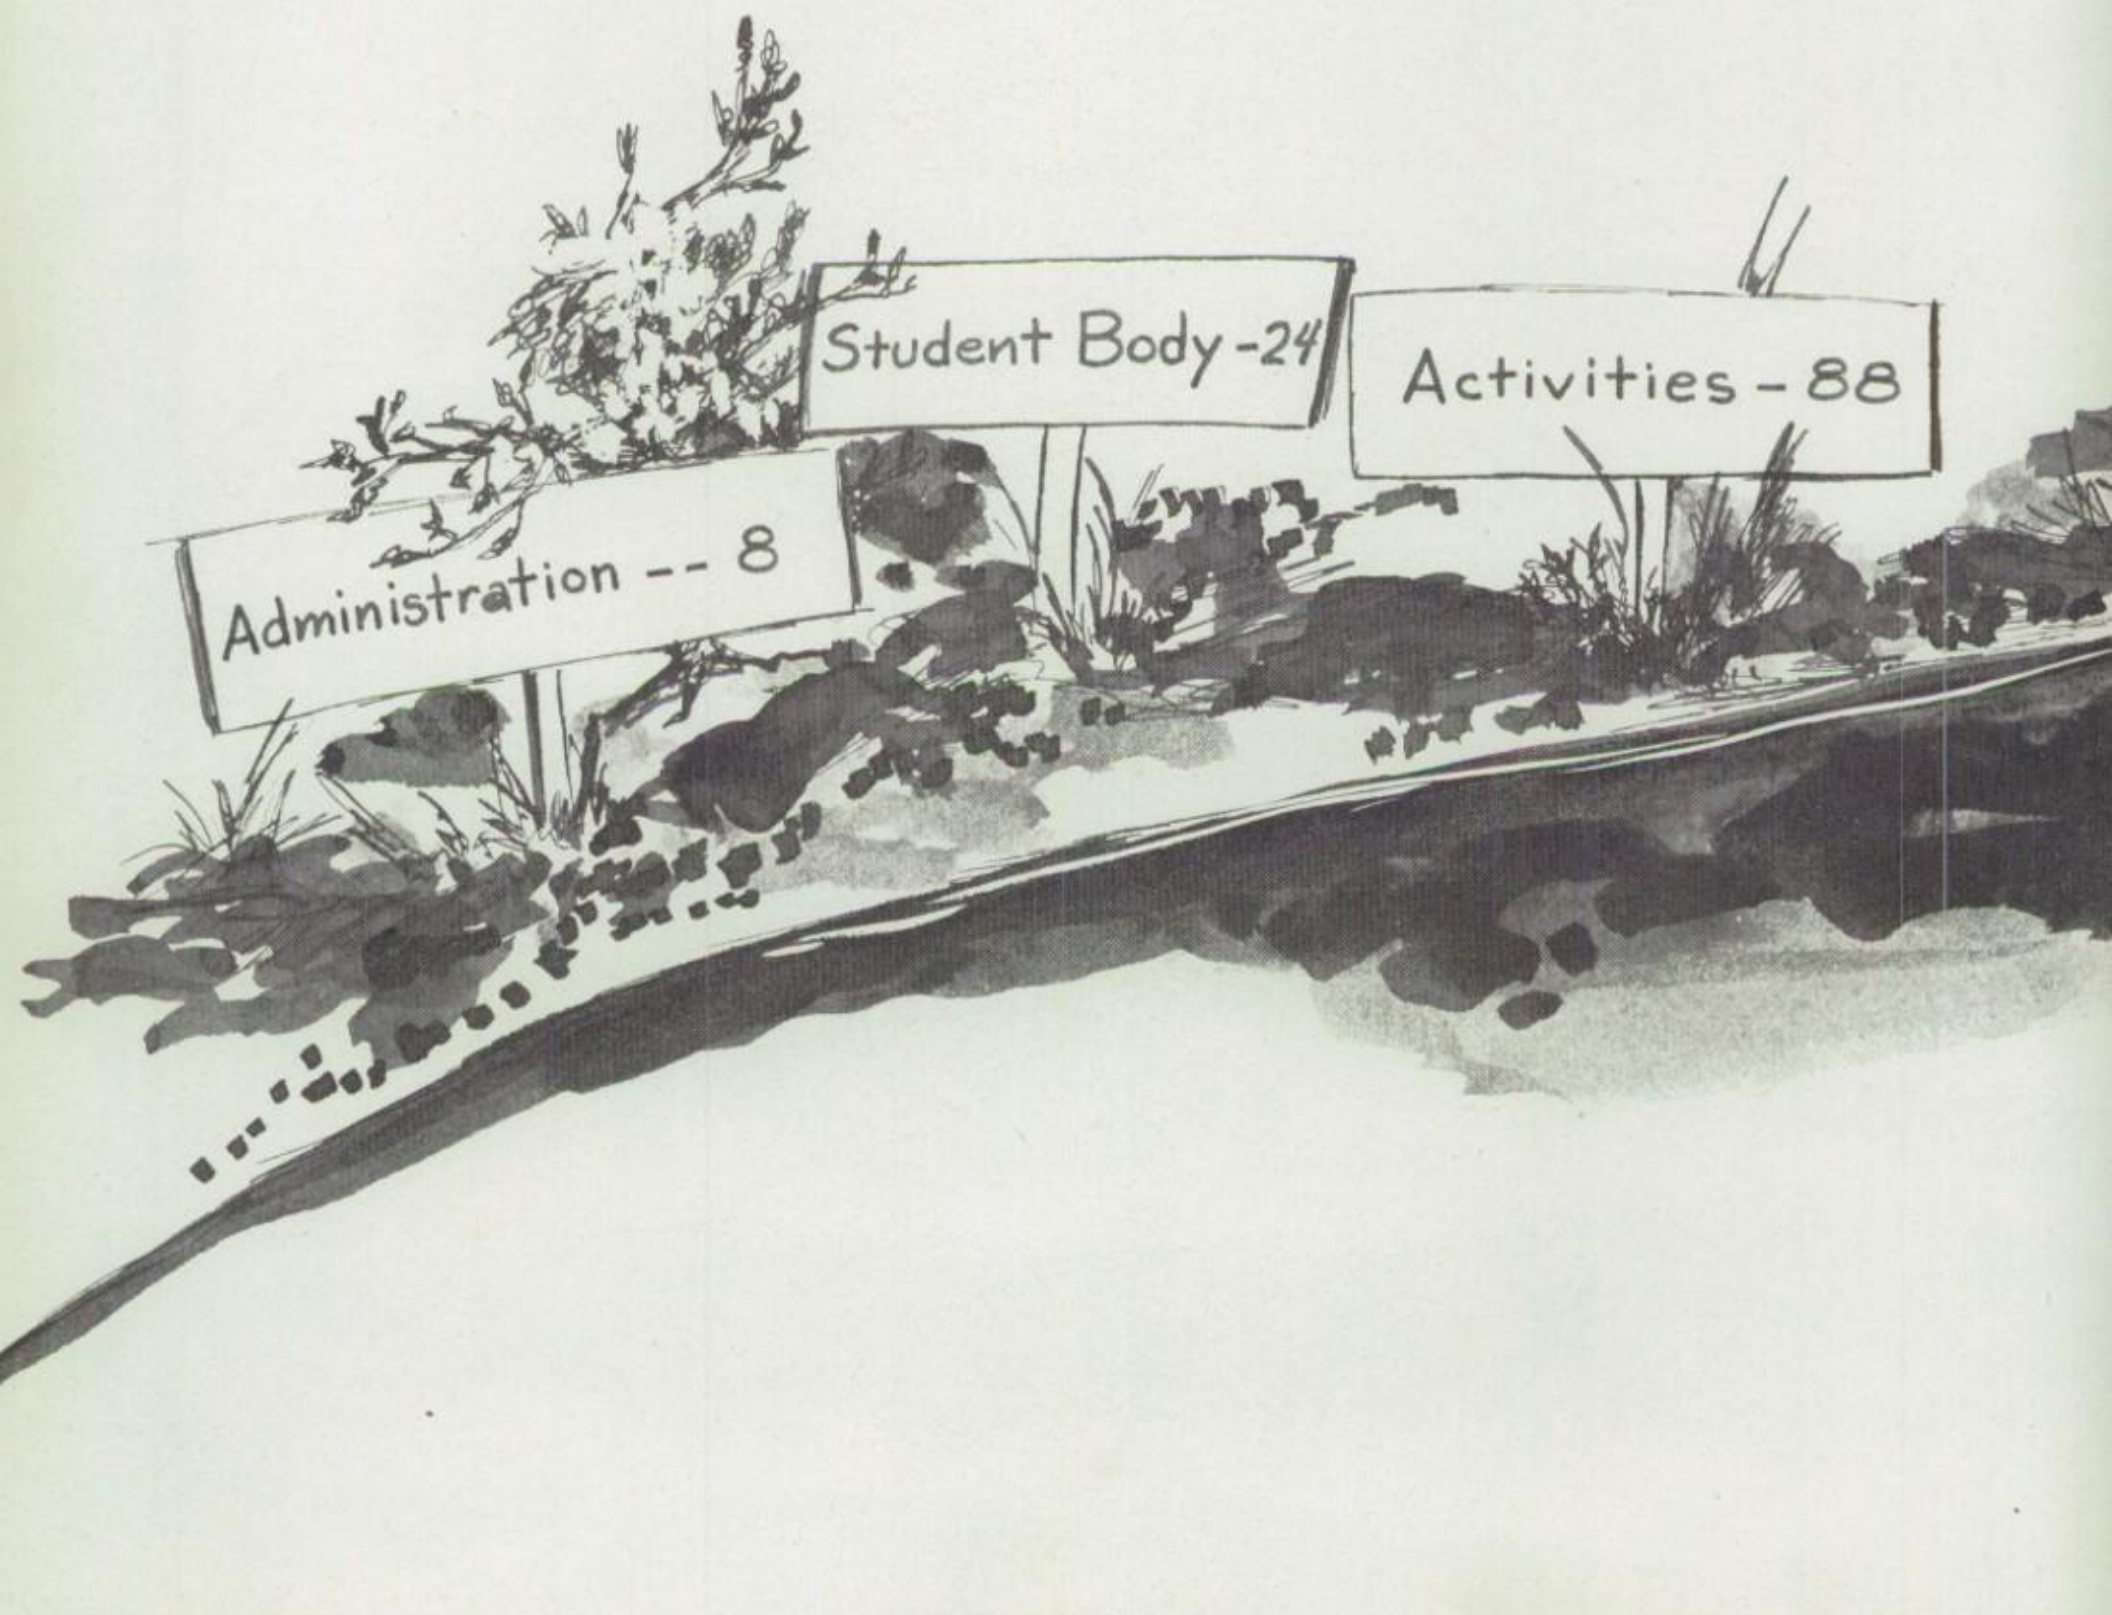
A Journey Through the Year



Student Life-160
Athletics-142

Foreword

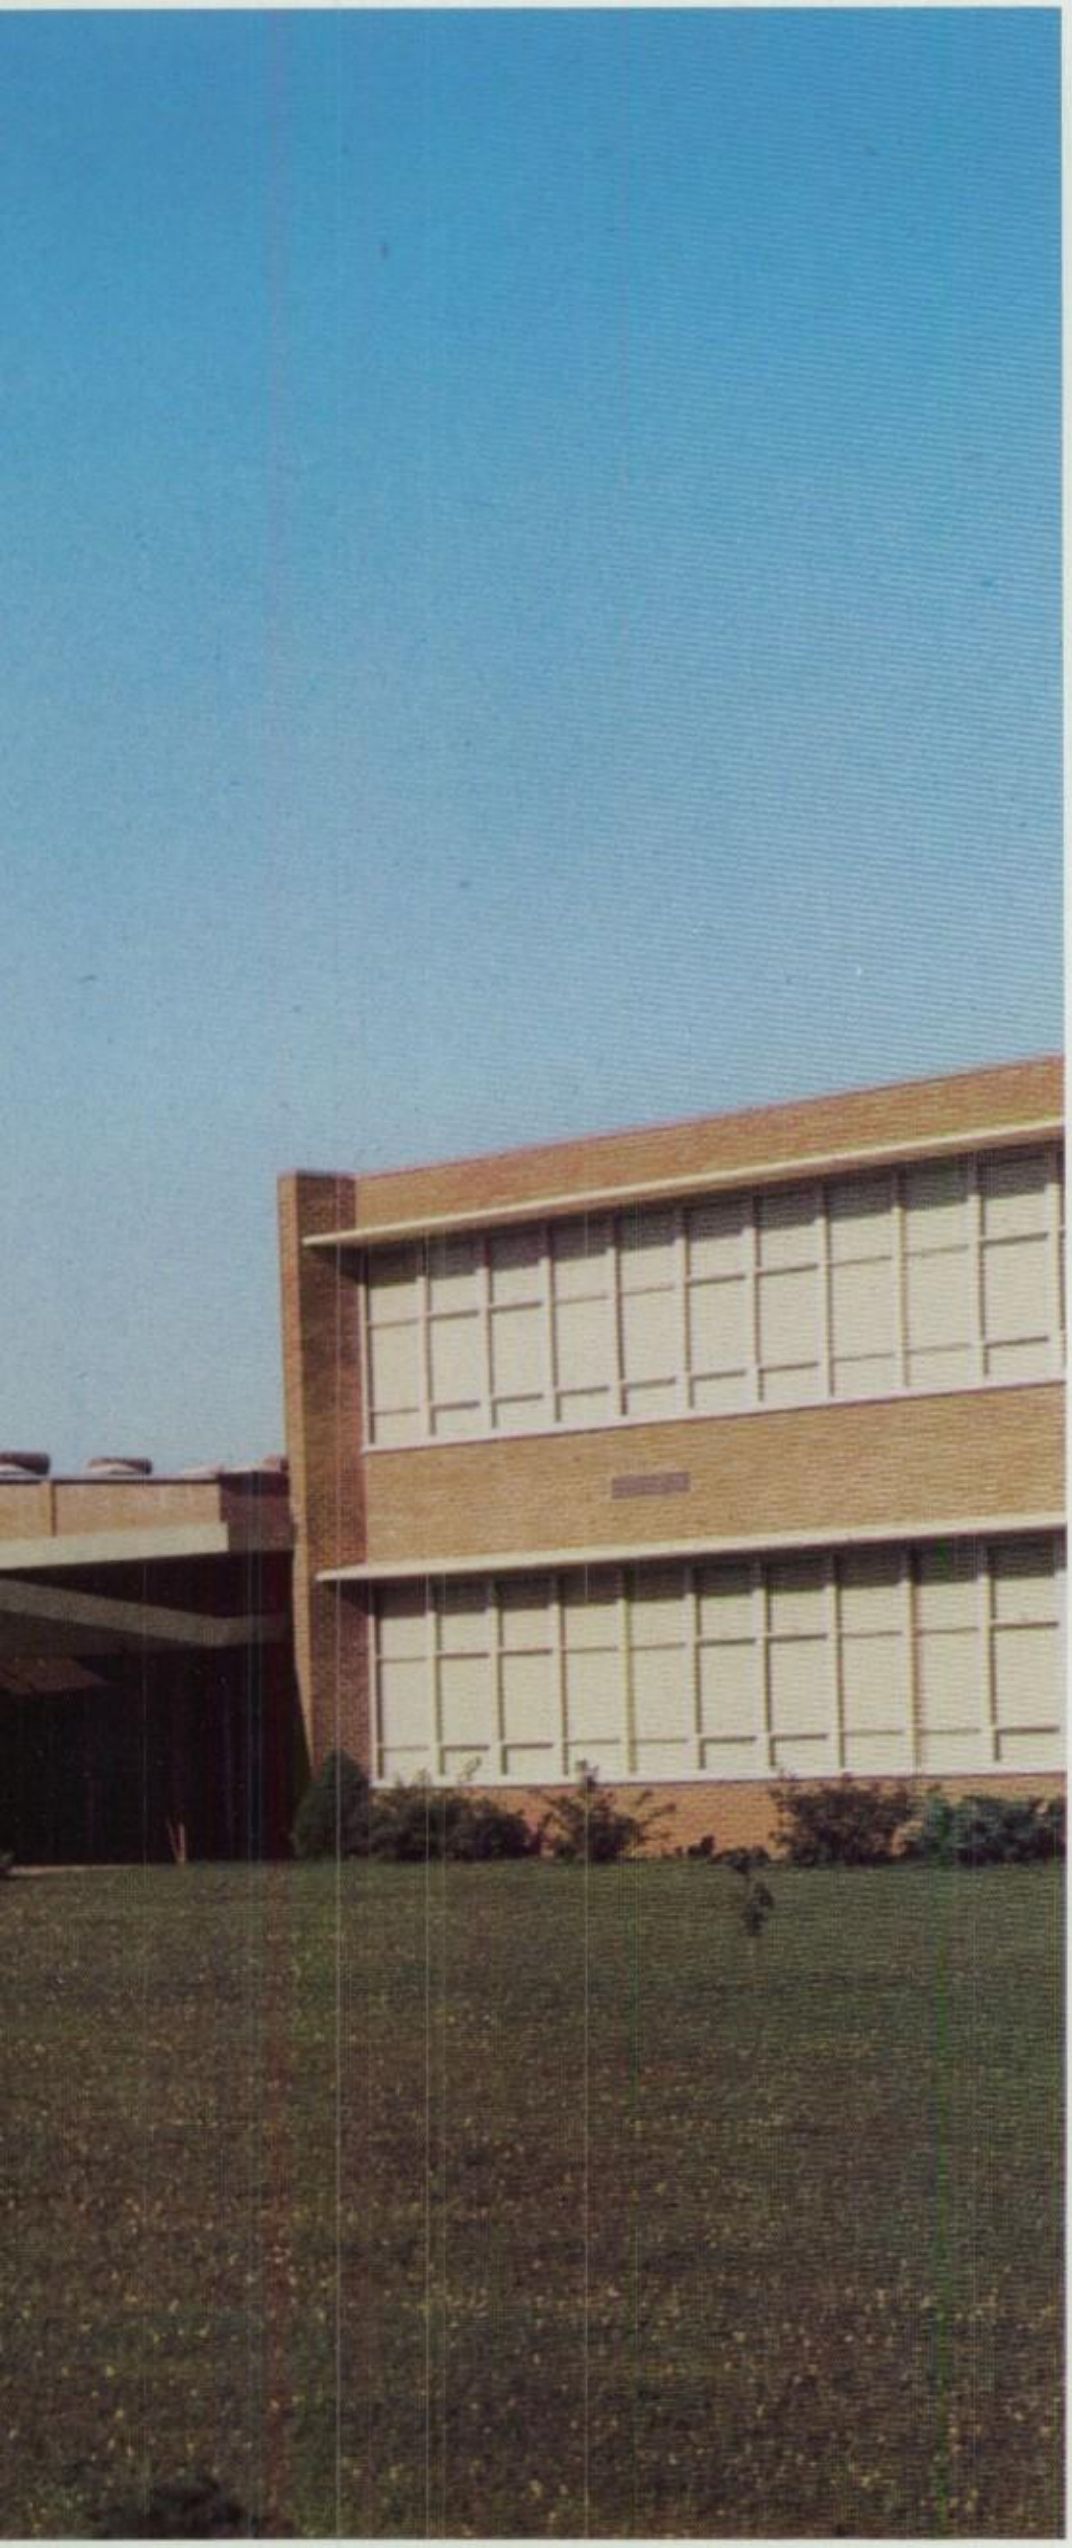
As our school year closes, our journey also comes to an end. Although it has not all been smooth traveling, as we near our destination we have a feeling of accomplishment. This past year has taught us many lessons, but none as important as those we have learned through experience. As you turn the pages of your Joplimo in the years ahead, may your minds be filled with happy memories of a wonderful year.

Won't you join us as we travel the milestones on our "Journey Through the Year"?

Dedication

They have understood our problems, assisted us with remarkable patience, listened to our complaints with an admirable smile, inspired us with confidence, encouraged us when we were disheartened and ensured our chance for success.

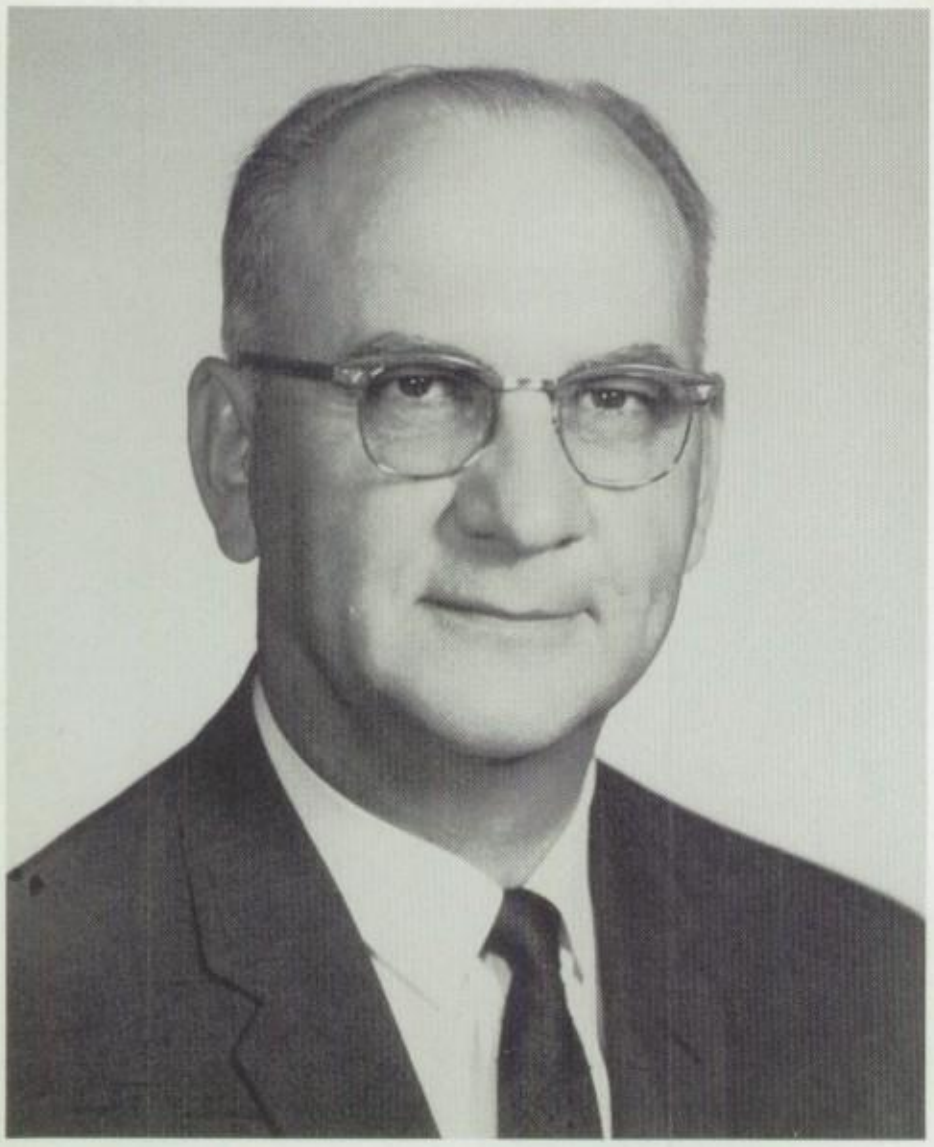
Their determined effort to make us satisfied and happy shall always be remembered as one of our most precious high school memories. Words cannot express our appreciation for their various contributions; but to show how much we love, honor, and respect them, we dedicate this 1962 Joplimo to the parents of the students of Joplin High.



Administration

Patient and understanding teachers guide each student in the learning of the ideals and spirit of Joplin High and help them gain knowledge and inspiration to serve their community.

Our Superintendent



MR. ROI S. WOODS

If there has ever been a superintendent of schools who has won his way into the hearts of the students, it has been Mr. Wood. It is under his supervision that our school has attained the high position that it now holds. Under his direction the school system has expanded into a modern educational unit which is rated among the finest.

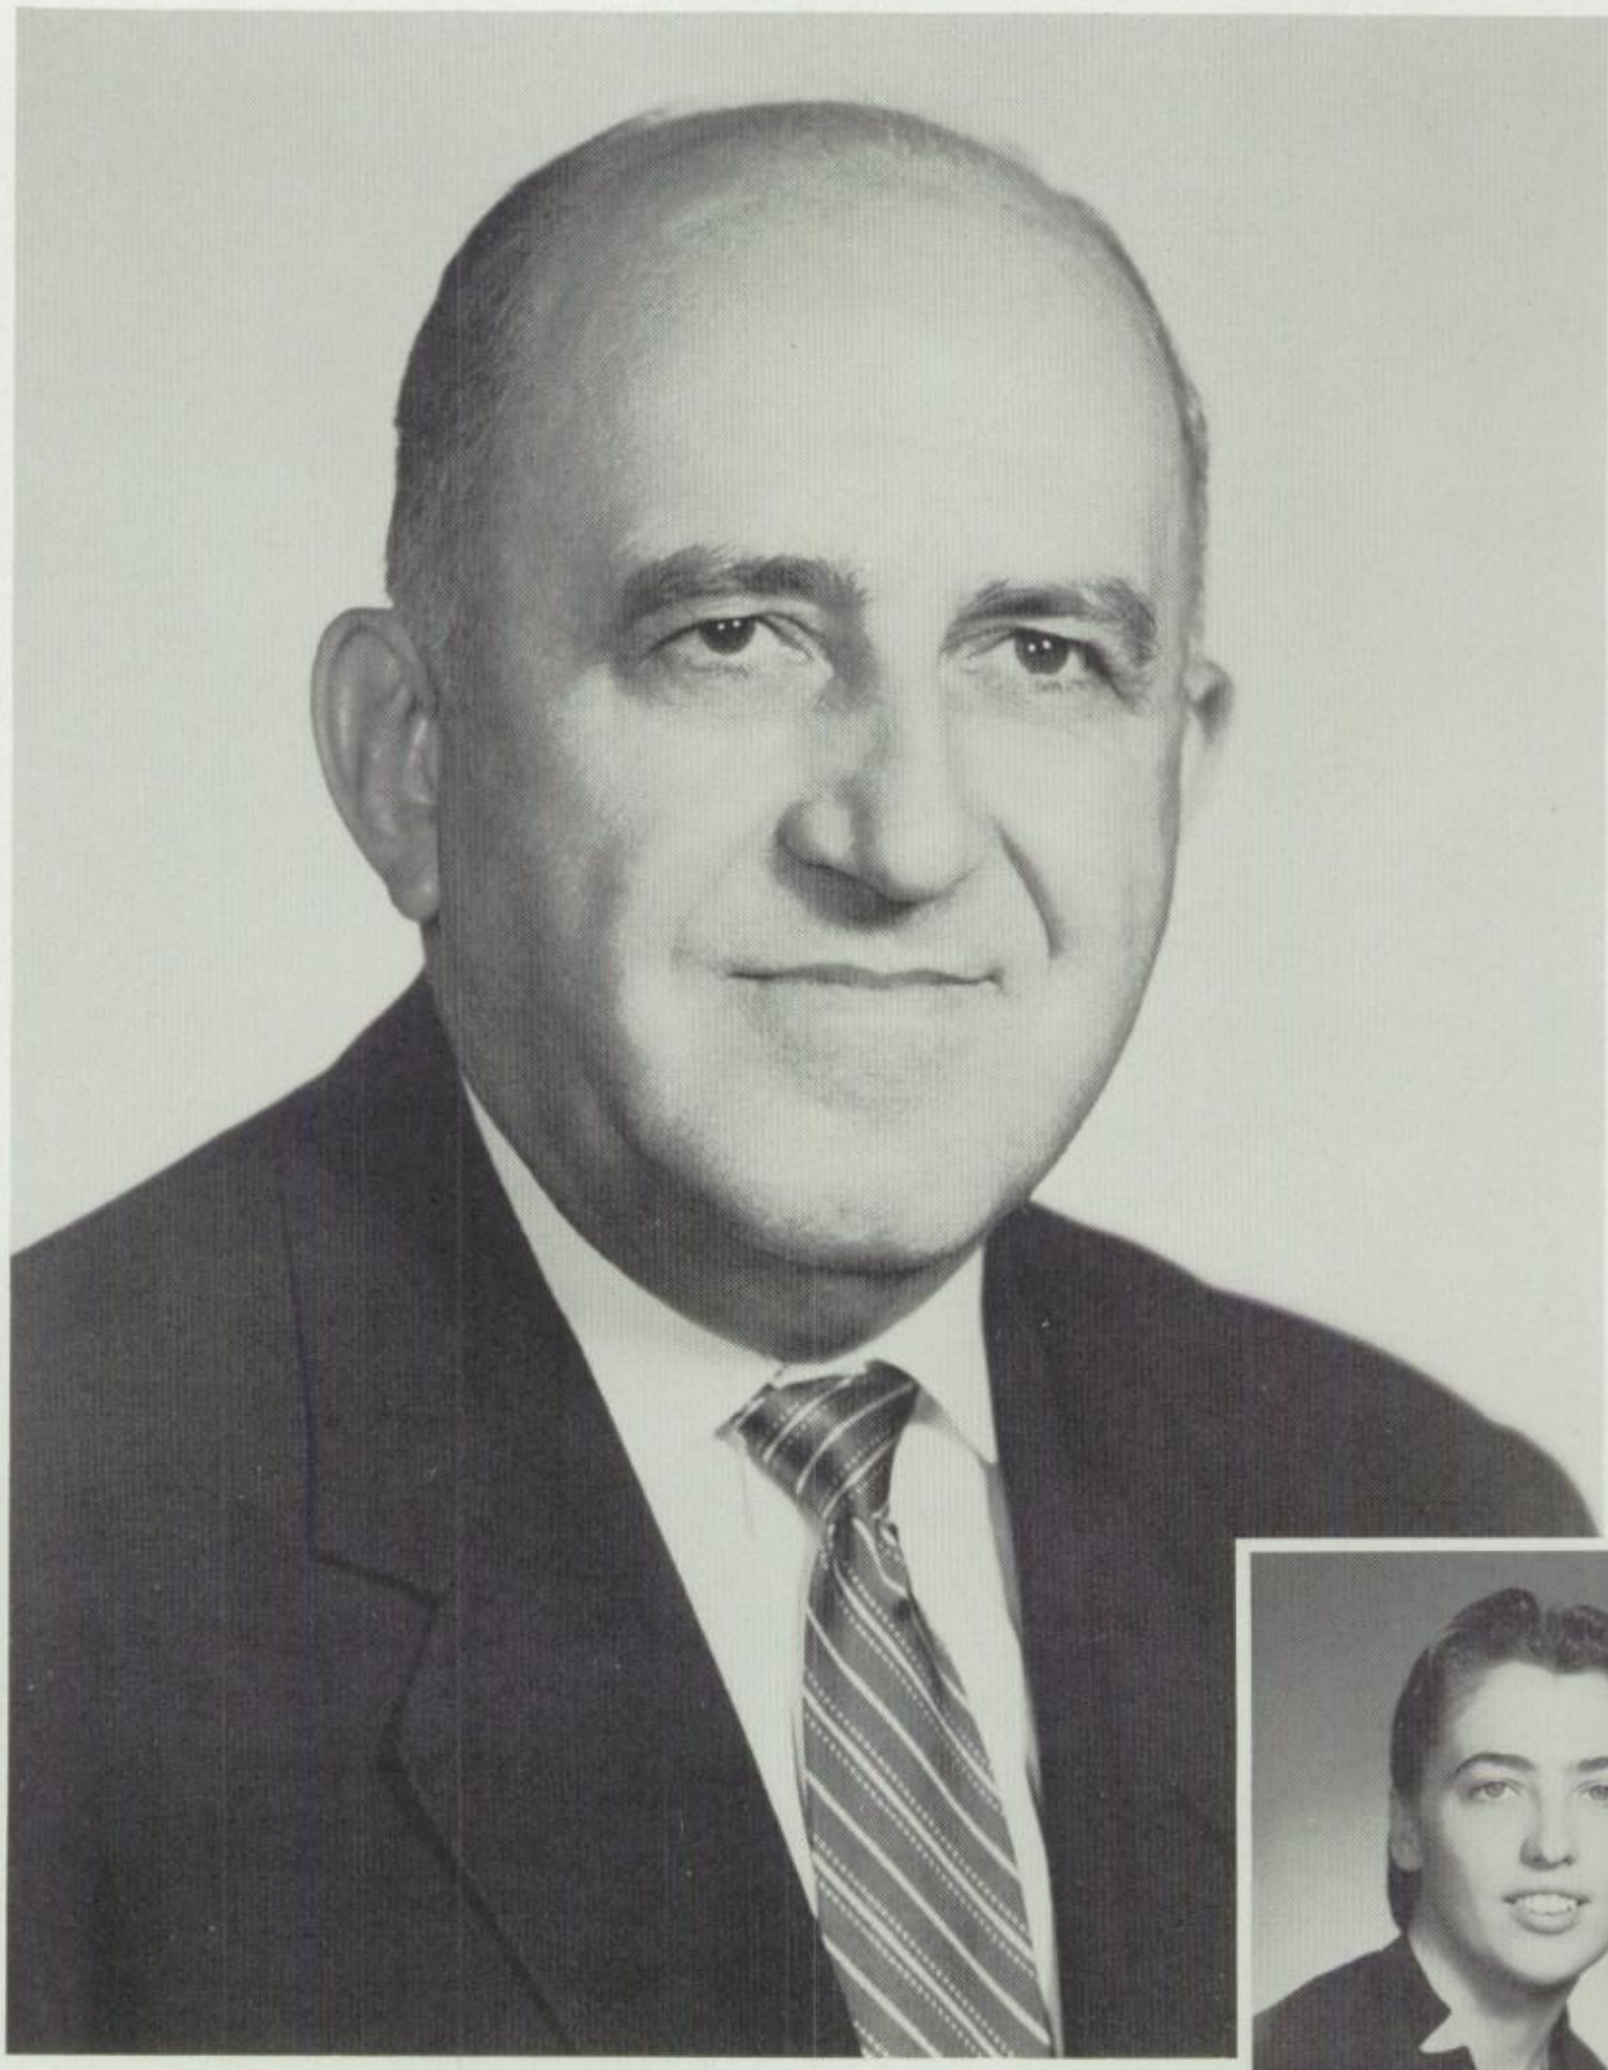
Our Principal

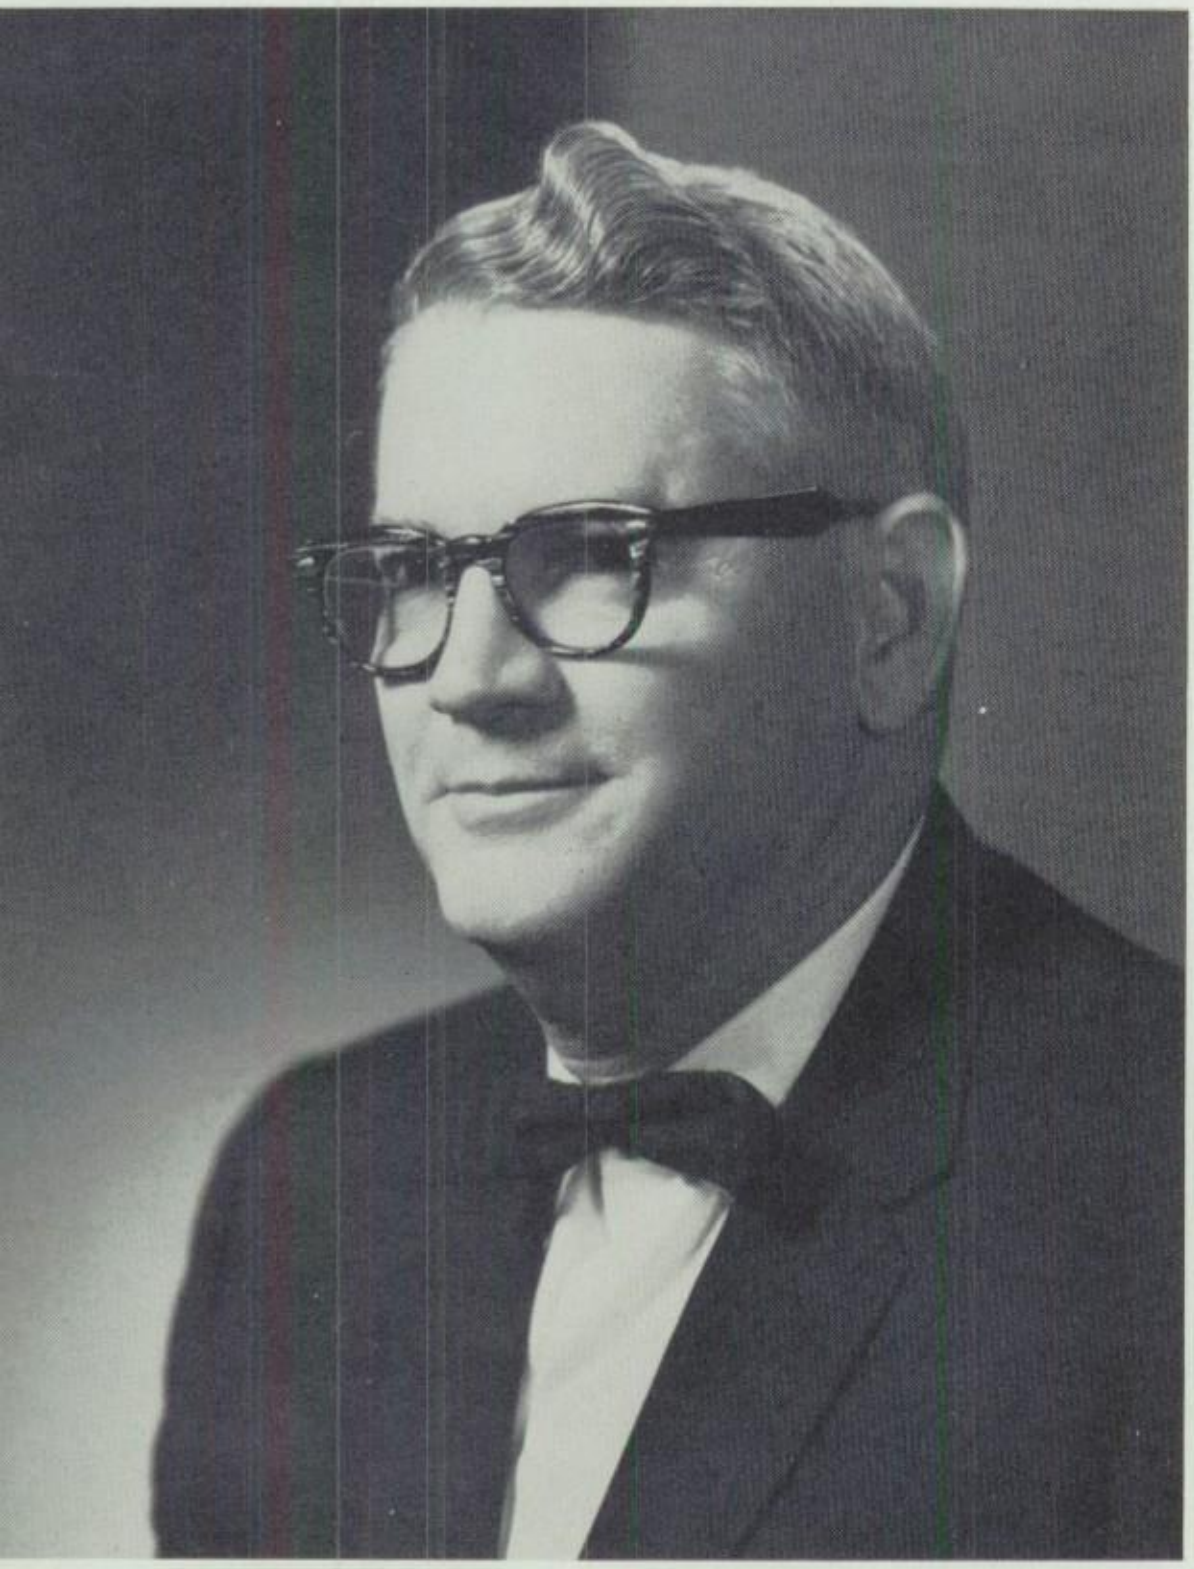


MR. ROY W. GREER

Probably the person leaving the greatest impression on our years at Joplin High is our principal, Mr. Greer. Although his job requires constant time and effort, he is never too busy to listen to our problems and help us in any way he can. In his years of service to our school, he has learned the needs and likes of the students and faculty. His patience and understanding manner has endeared him to all the students. It makes us really proud to know this man—our guide, director and friend.

MISS RUSH
Secretary to
Mr. Greer

Vice Principal



MR. HERBERT J. HART

We have come to recognize Mr. Hart as an assistant principal who not only is interested in the student body as a whole but in each individual also. Aside from his office duties he is sponsor of Camera Club, and only last year, was responsible for the forming of the Russian Club. This man of many talents is an asset to any organization.

MRS. ANDERSON

Dean of Girls

MISS PEAK

Miss Peak has always done an excellent job of keeping her "flock" on a straight road as far as their tardies and absences are concerned. We realize it must be a great deal of work counseling these students, but we have yet to see Miss Peak without a smile and a cheerful word.

Guidance Department

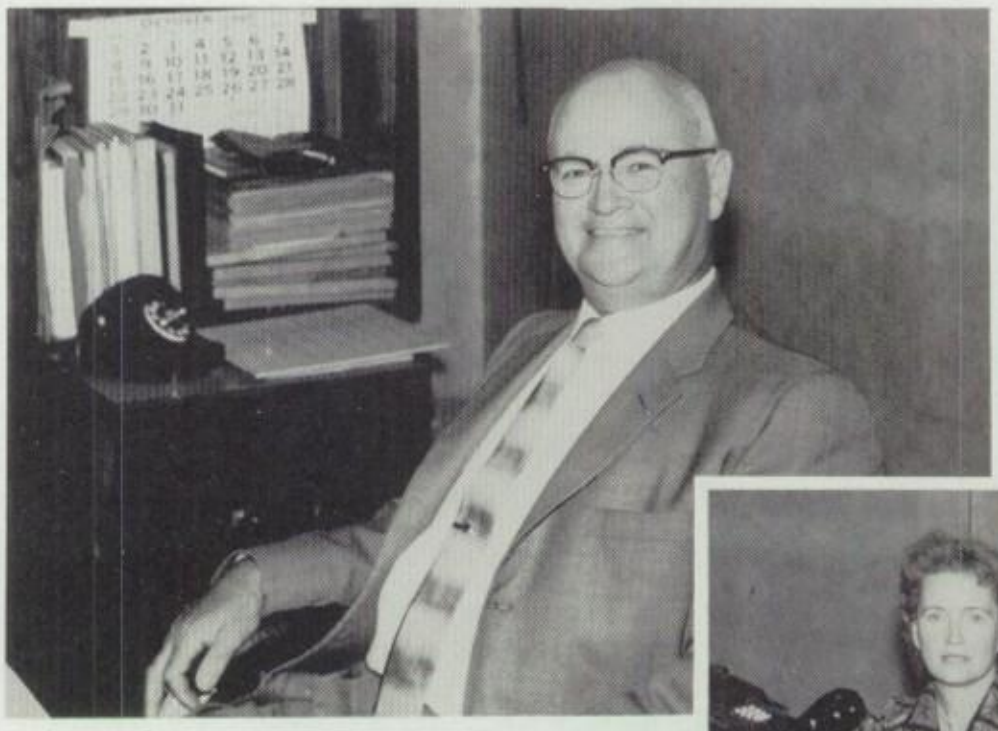
MR. GEORGE VOLMERT

MR. ROSCOE THOMAS

MRS. REITHA McCRACKEN

GUIDANCE SECRETARY
Mrs. Betty Plaster

Do you have a problem? Chances are you'll find the answer in the Guidance Office. These efficient three offer constructive advice in all phases of our school life. Whether it be schedule changes or college information, they are there to lend their assistance.



MR. R. W. BAKER
Director of Franklin Tech

MRS. JOHNSON

MRS. OLETA PETTY
School Nurse

The purpose of vocational education is to provide training, to develop skills, abilities, understanding, appreciation, and to impart knowledge needed by the workers to enter and make progress in employment on a useful and productive basis. Mr. Baker capably directs his boys in their training for the future.

All attention is given to Mr. Greer as he prepares the teachers for the beginning of school.

Phyllis McCormack and Sally Campbell seem to be dilligently studying their shorthand—or could they possibly be daydreaming?

These junior chefs seem to be enjoying their work.

Karen Fulton, Wendall Taylor, and Vera Oxendine prepare a breakfast of bacon and eggs.

Our Cooks

Shown at the left taking time for a coffee break are:

Coleen Carney, Lola Swarms, Cecelia Middleton, Jauniece Tomlinson, Lucille Harlan, Betty Henderson.

Who says Grandma's pies can't be beat? Apparently you haven't eaten these ladies' pastries. Shown from left to right are:

Dorothy Jackson, Ethel Osborne, Ruby Harris, Bernice Heath, Clarice Clark.

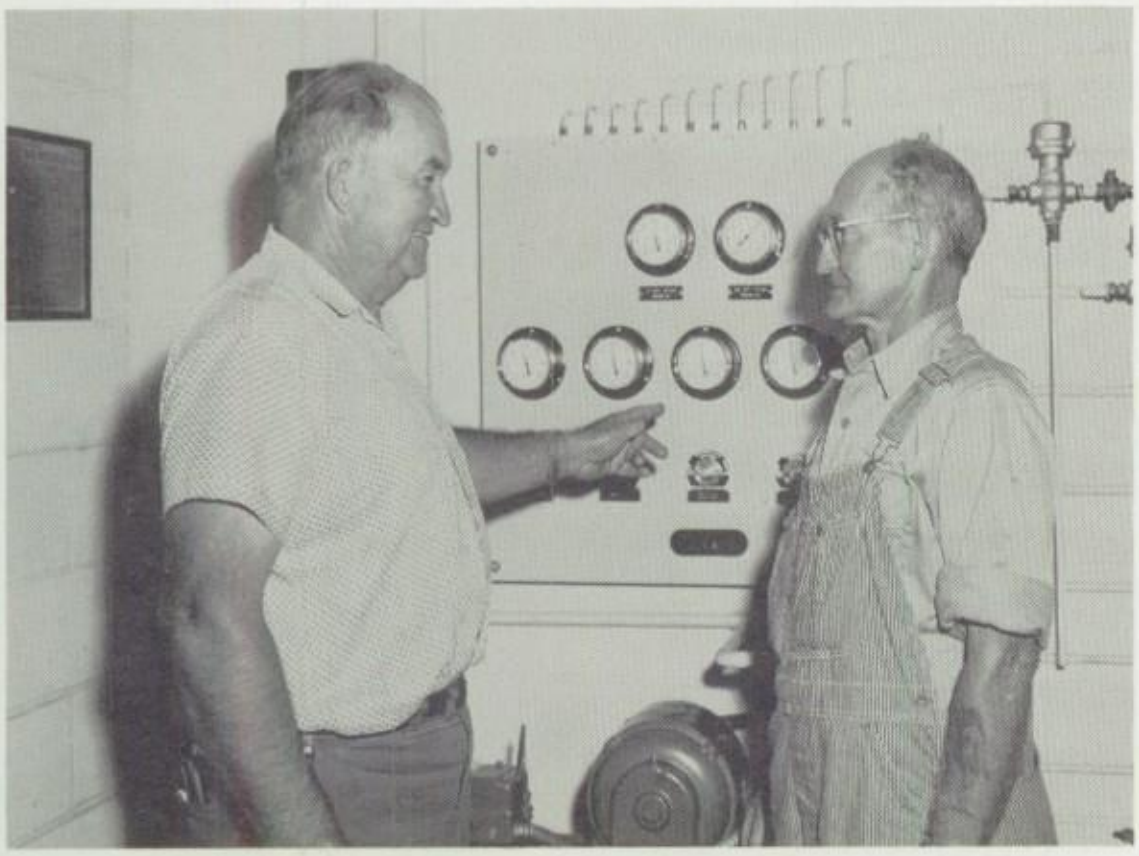
Hot lunches await the students each school day. The problem here seems to be, which dish shall I take?

MRS. CLARICE MERK
Cafeteria Supervisor

Taking time to pose for us are:

Pansy Russell, Helen McDaniel, Lena Vaughn, Mildred Greenwood, Grace Bay, Hettie Campbell.

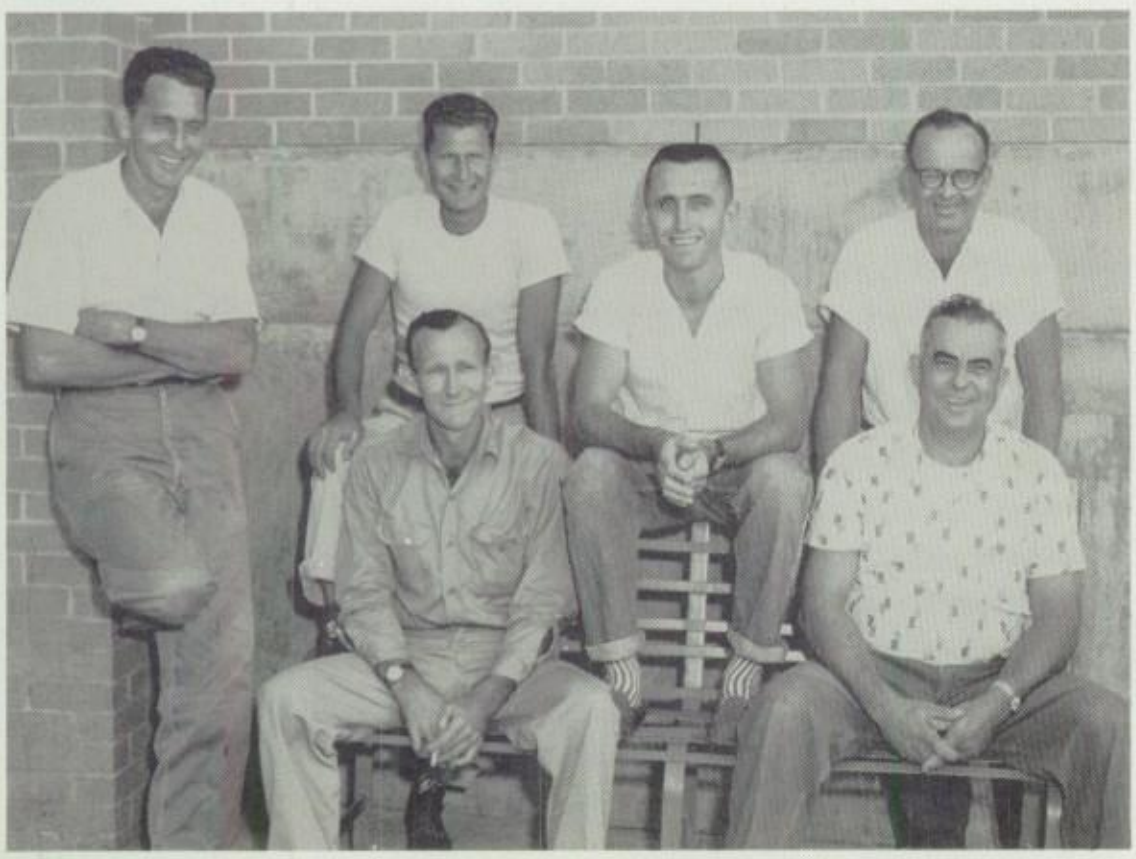
Our Custodians



Mr. Fred Fuller, our maintenance head, and Mr. Walker, the night engineer, are shown discussing the metering panel.

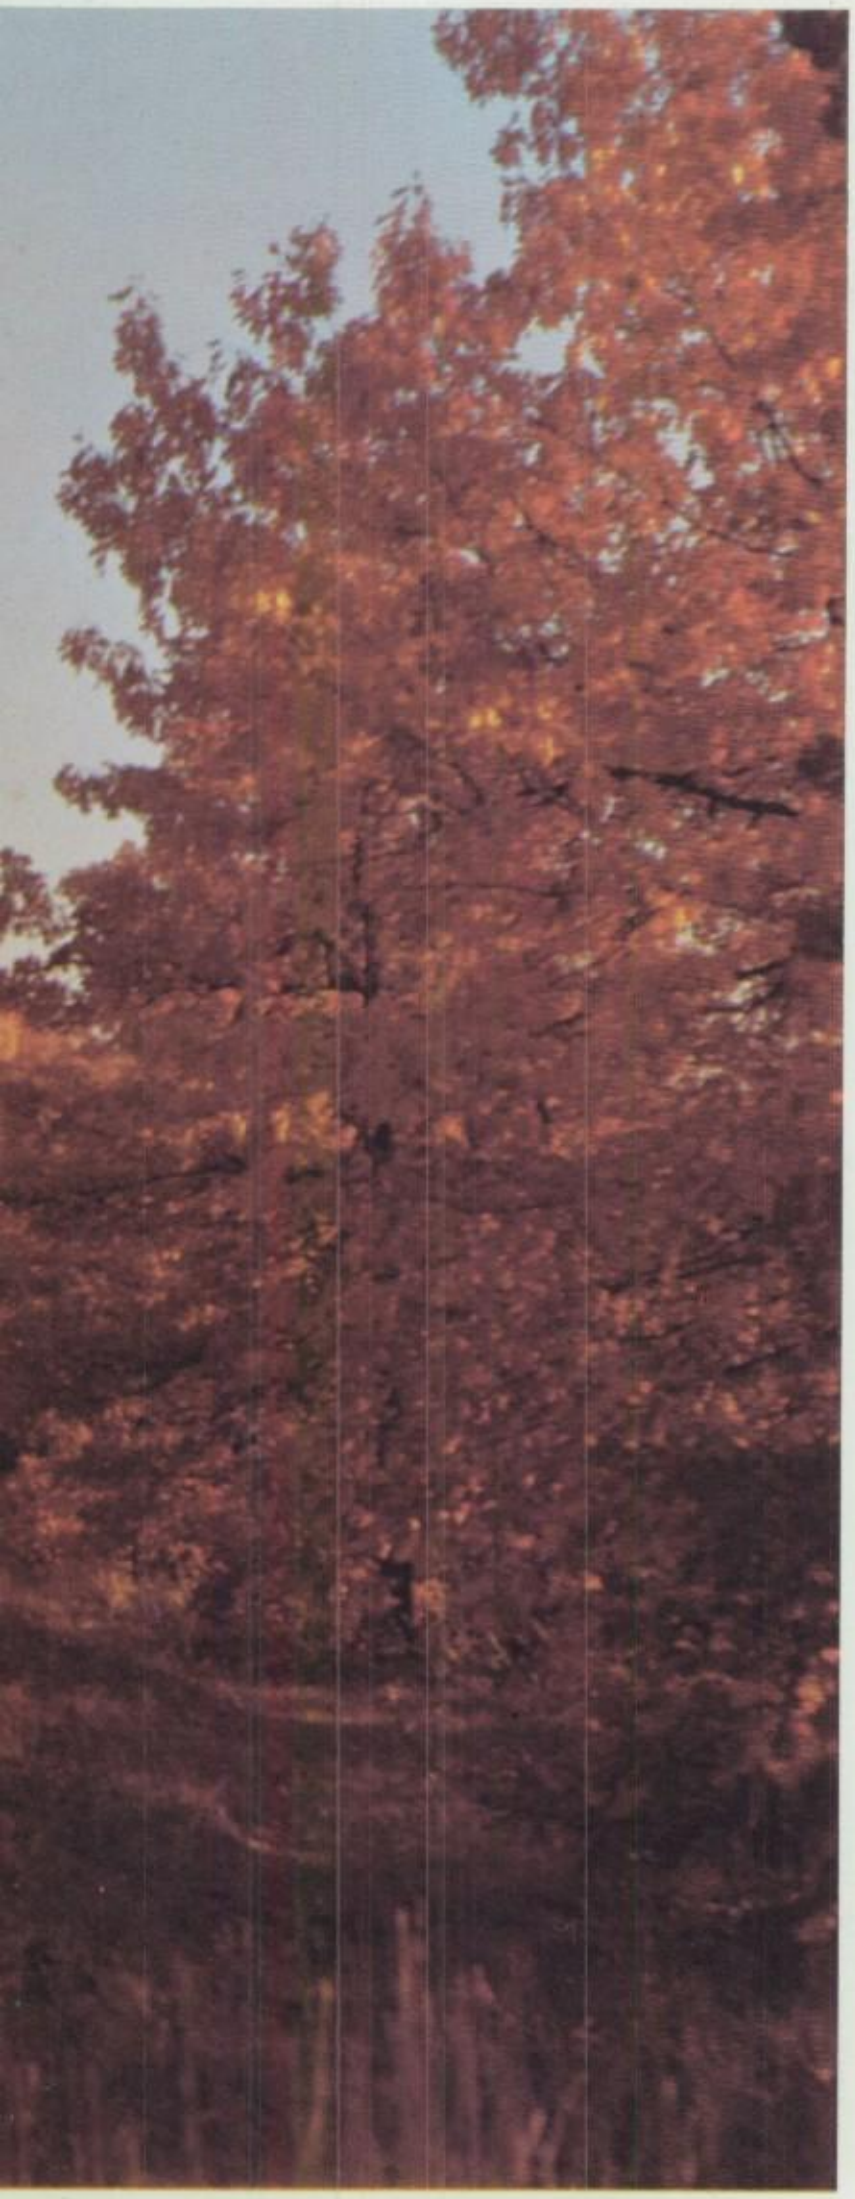
These are the men who receive so little recognition, yet, night and day in winter and summer they keep our building spotlessly clean. We are grateful to these men for their faithful service and constant good humor.

Mr. Ralph Mathias repairs the clothes dryer, one of the varied duties our custodians are called upon to perform.



These are a small group of our maintenance men:

ROW 1: Mr. Mahurin, Mr. McGowan.
ROW 2: Mr. Ball, Mr. Simpson, Mr. East, Mr. Perraman.



Student Body

Early fall brings familiar sounds echoing through the corridors of Joplin High. The students have returned anticipating the beginning of another school year.

New Frontiers in Friendship and Understanding

KARL REICHL

DIANA GITLIN

"Walk together, talk together, all ye peoples of the earth, then and only then shall ye find peace . . ." J.H.S. has learned the meaning of these words as we greeted our two exchange students, Diana Gitlin of Argentina, and Karl Reichl of Germany.

To our guests, the United States was a foreign country, the American people, strangers; but, Joplin High offered a warm welcome and a desire to know both students individually. We hope Karl and Diana can take back to their respective countries, fond memories of their year in Joplin, and that through our participation in the Student Exchange program, a foundation for world peace may be established.

The 1961-62 Student Council, an organization of leadership, citizenship, and promotion of worthwhile school activities, was one of the most active groups in J.H.S. The Council members decided many issues that concerned the vital interests of our entire student body. It conducted various social functions including the Homecoming, Rose, and Twirp dances. Council members sold programs at athletic events and sponsored several charity drives. In addition to this, the J.H.S. governing body was elected Vice-President of the S. W. Missouri District of Student Councils.

St. Cecelia Choir

"Ah-a-e-ow-ooo"—up and down the scale, first singing softly, then building up a crescendo. This is how our St. Cecilia choir starts its class. Their vocal chords break forth in clear and bright notes to produce harmonious melodies.

Highlighting their season is the choral concert held in the spring. Under the expert direction of Oliver Sovereign, they learn to love and appreciate fine music. When these girls leave the St. Cecilia Choir, they are indeed accomplished songsters.

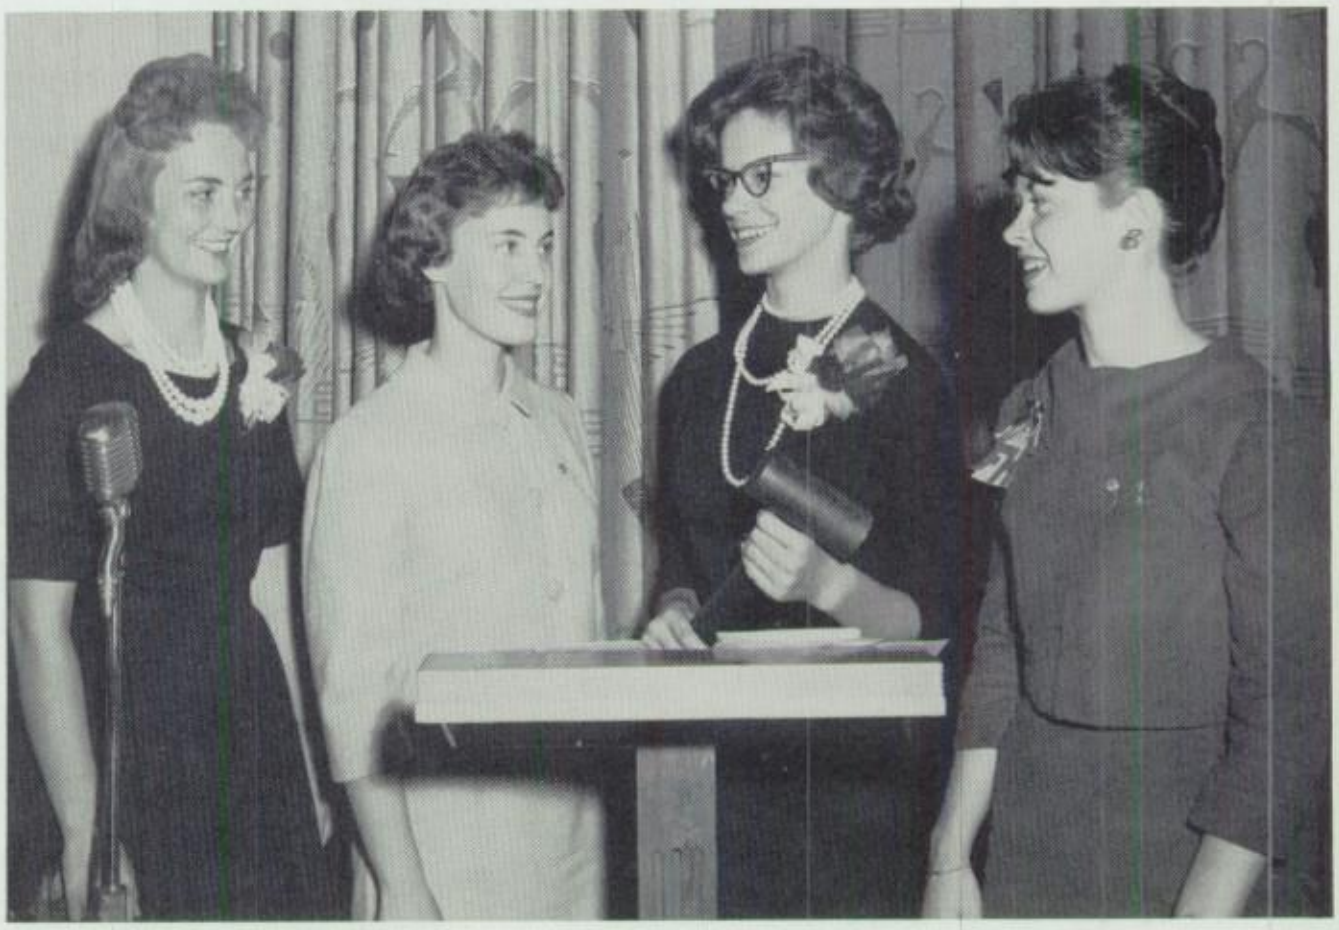
"Youth Focus on Values"

The regional convention of Future Homemakers of America was held at J.H.S. on October 8, 1961. Region 13 consists of schools from 6 counties in Southwest Missouri.

The theme of the all day meeting was "Youth Focus on Values." A fashion show was the highlight of the afternoon session.

Millie Blankenship, the Joplin Chapter and Regional president, presided over the meeting. Several of the state officers were present.



Officers of the convention are shown: (left to right) Adele Hobson, Kay Gonterman, Millie Blankenship, and Connie LeAn.

Pat, Carolyn, Susan, and Jill were Joplin's participants in the fashion show.

Of course the best part of the whole convention was the refreshments!

After Clay Blair, the Student Council president, added the crowning touch, the court retired to the sidelines to reign over the remainder of the game and the dance following.

Key Club Talent Show

The fifth bi-annual Key Club Talent Show was held February 23 in the High School auditorium. Of the seventeen variety acts, three winners were chosen by the applause of the audience. Gary Cooper, a local radio broadcaster, served as Master of Ceremonies to the capacity crowd. The show was under the direction of Lloyd Buehner, chairman, and Mr. Volmert, sponsor.

Little Anita Baum's dynamic voice captivated the audience as she was awarded first place.

The "J-Club" took third place with their low flying, high jumping antics.

Some people thought the best part of the whole show was our billboard girls. Right, Gary?

Gilda Edmonson was our second place winner with an old favorite "Blue Moon."

We leave J.H.S. in your care, juniors.

Here we are at the end of the year; the long-awaited summer vacation is finally upon us. For some of us this comes not only as a vacation, but as an end of a three year journey. As we close the 1962 Joplimo, we seniors come to the end of our high school days.

In the distant future, after we have left Joplin High, we can turn once again to our Joplimo and find the familiar faces, cherished autographs and the special events which are the memories of our high school days. Then we will understand what they meant when they said, "These are the best years of your lives."

1962 was indeed a year to remember . . . it was a year of little incidents, rushing to be first in the lunch line, cheering at Pep Rallies, dinner after the Military Ball, and hurried conversations in the hall between classes . . . it was a year of new frontiers explored by a young president with an eastern accent, of distinguished visitors to the United Nations, of Colonel's Glenn's orbital flight around the world . . . it was a year of trends and fads; girls shortened their skirts and ratted their hair, while boys pegged their pants, the "twist" was suddenly invading the country . . . a year of "firsts" for J.H.S., our own mascot, "Mr. Eagle," the first year for exchange students, and mass T. B. shots.

And so it ends, our year . . . our journey. Joplin High closes its doors on 1962.

Our Alma Mater

Joplin High has ever gloried in the red and green
O'er the fields of all her battles, victory can be seen.
Keep her honor, keep her courage, keep her purpose clear.
JHS—our Alma Mater—we will hold her dear.

When we leave our Joplin High School, seeking our life's goal
We will ne'er forget the memories that our past years hold.
There will not be thoughts of sadness when we think of thee
And renew those days of gladness 'neath the red and green.
